THIS COURT FURTHER FINDS that injunctive relief previously granted in the Temporary Restraining Order (“TRO”) should remain in place through the pendency of this litigation and that issuing this Preliminary Injunction is warranted under Federal Rule of Civil Procedure 65. Evidence submitted in support of this Motion and in support of Plaintiffs’ previously granted Motion for Entry of a Temporary Restraining Order establishes that Plaintiffs have demonstrated a likelihood of success on the merits; that no remedy at law exists; and that Plaintiffs will suffer irreparable harm if the injunction is not granted. Specifically, Plaintiffs have proved a *prima facie* case of trademark infringement because (1) Plaintiffs’ Trademarks are distinctive marks and are registered with the U.S. Patent and Trademark Office on the Principal Register, (2) Defendants are not licensed or authorized to use any of Plaintiffs’ Trademarks, and (3) Defendants’ use of Plaintiffs’ Trademarks is causing a likelihood of confusion as to the origin or sponsorship of Defendants’ products with Plaintiffs. Plaintiffs have also proved a *prima facie* case of violations of the Anticybersquatting Consumer Protection Act of 1996 (“ACPA”) because they have demonstrated that certain Defendants have bad faith intent to profit from Plaintiffs’ Trademarks and have registered, trafficked in, or used domain names that are identical or confusingly similar to or dilutive of Plaintiffs’ distinctive and famous Plaintiffs’ Trademarks.

Furthermore, Defendants' continued and unauthorized use of Plaintiffs' Trademarks irreparably harms Plaintiffs through diminished goodwill and brand confidence, damage to Plaintiffs' reputation, loss of exclusivity, and loss of future sales. Monetary damages fail to address such damage and, therefore, Plaintiffs have an inadequate remedy at law. Moreover, the public interest is served by entry of this Preliminary Injunction to dispel the public confusion created by Defendants' actions. As such, this Court orders that:

1. Defendants, their affiliates, officers, agents, servants, employees, attorneys, confederates, and all persons acting for, with, by, through, under or in active concert with them be preliminarily enjoined and restrained from:
 - a. using Plaintiffs' Trademarks or any reproductions, counterfeit copies or colorable imitations thereof in any manner in connection with the distribution, marketing, advertising, offering for sale, or sale of any product that is not a genuine Plaintiffs' Product or not authorized by Plaintiffs to be sold in connection with Plaintiffs' Trademarks;
 - b. passing off, inducing, or enabling others to sell or pass off any product as a genuine Plaintiffs' Product or any other product produced by Plaintiffs, that is not Plaintiffs' or not produced under the authorization, control or supervision of Plaintiffs and approved by Plaintiffs for sale under Plaintiffs' Trademarks;
 - c. committing any acts calculated to cause consumers to believe that Defendants' products are those sold under the authorization, control or supervision of Plaintiffs, or are sponsored by, approved by, or otherwise connected with Plaintiffs;
 - d. further infringing Plaintiffs' Trademarks and damaging Plaintiffs' goodwill;
 - e. otherwise competing unfairly with Plaintiffs in any manner; and

- f. manufacturing, shipping, delivering, holding for sale, transferring or otherwise moving, storing, distributing, returning, or otherwise disposing of, in any manner, products or inventory not manufactured by or for Plaintiffs, nor authorized by Plaintiffs to be sold or offered for sale, and which bear any of Plaintiffs' trademarks, including the Plaintiffs' Trademarks, or any reproductions, counterfeit copies or colorable imitations thereof;
2. The domain name registries for the Defendant Domain Names, including, but not limited to, VeriSign, Inc., Neustar, Inc., Afiliat Limited, CentralNic, Nominet, and the Public Interest Registry, within three (3) business days of receipt of this Order, shall, at Plaintiffs' choosing:
 - a. unlock and change the registrar of record for the Defendant Domain Names to a registrar of Plaintiffs' selection until further ordered by this Court; or
 - b. disable the Defendant Domain Names and make them inactive and untransferable until further ordered by this Court.
3. The domain name registrars, including, but not limited to, GoDaddy Operating Company, LLC ("GoDaddy"), Name.com, PDR LTD. d/b/a PublicDomainRegistry.com ("PDR"), 1api GmbH ("1api"), HEXONET GmbH ("HEXONET"), and Namecheap Inc. ("Namecheap"), within three (3) business days of receipt of this Order, shall take any steps necessary to transfer the Defendant Domain Names to a registrar account of Plaintiffs' selection so that the Defendant Domain Names can be redirected or disabled until further ordered by this Court.
4. Defendants and any third party with actual notice of this Order who is providing services for any of the Defendants, or in connection with any of Defendants' websites at the

Defendant Domain Names or other websites operated by Defendants, including, without limitation, any online marketplace platforms such as iOffer, eBay, AliExpress, and Alibaba, credit cards, banks, merchant account providers, third party processors and other payment processing service providers, and domain name registrars, including, but not limited to, GoDaddy, Name.com, PDR, 1api, HEXONET, and Namecheap, (collectively, the “Third Party Providers”) shall, within five (5) business days after receipt of such notice, provide to Plaintiffs expedited discovery, including copies of all documents and records in such person’s or entity’s possession or control relating to:

- a. the identities and locations of Defendants, their agents, servants, employees, confederates, attorneys, and any persons acting in concert or participation with them, including all known contact information, including any and all associated e-mail addresses;
- b. the nature of Defendants’ operations and all associated sales, methods of payment for services and financial information, including, without limitation, identifying information associated with the Online Marketplace Accounts, the Defendant Domain Names, and Defendants’ financial accounts, as well as providing a full accounting of Defendants’ sales and listing history related to their respective Online Marketplace Accounts and Defendant Domain Names;
- c. Defendants’ websites and/or any Online Marketplace Accounts;
- d. the Defendant Domain Names or any domain name registered by Defendants; and
- e. any financial accounts owned or controlled by Defendants, including their agents, servants, employees, confederates, attorneys, and any persons acting in concert or participation with them, including such accounts residing with or under the control of

any banks, savings and loan associations, payment processors or other financial institutions, including, without limitation, PayPal, or other merchant account providers, payment providers, third party processors, and credit card associations (e.g., MasterCard and VISA).

5. Defendants and any persons in active concert or participation with them who have actual notice of this Order shall be temporarily and preliminarily restrained and enjoined from transferring or disposing of any money or other of Defendants' assets until further ordered by this Court.
6. PayPal, Inc. ("PayPal") shall, within two (2) business days of receipt of this Order, for any Defendant or any of Defendants' Online Marketplace Accounts or websites:
 - a. locate all accounts and funds connected to Defendants, Defendants' Online Marketplace Accounts or Defendants' websites, including, but not limited to, any PayPal accounts connected to the information listed in Amended Schedule A hereto, the e-mail addresses identified in Exhibits 5 and 6 to the Declaration of John J. Stewart, and any e-mail addresses provided for Defendants by third parties; and
 - b. restrain and enjoin any such accounts or funds that are China or Hong Kong based from transferring or disposing of any money or other of Defendants' assets until further ordered by this Court.
7. Plaintiffs may provide notice of these proceedings to Defendants, including service of process pursuant to Fed. R. Civ. P. 4(f)(3), by electronically publishing a link to the Amended Complaint, this Order and other relevant documents on a website to which the Defendant Domain Names which are transferred to Plaintiffs' control will redirect, or by sending an e-mail to the e-mail addresses identified in Exhibits 5 and 6 to the Declaration

of John J. Stewart and any e-mail addresses provided for Defendants by third parties that includes a link to said website. The Clerk of Court is directed to issue a single original summons in the name of “Li Chen and all other Defendants identified in the Amended Complaint” that shall apply to all Defendants. The combination of providing notice via electronic publication or e-mail, along with any notice that Defendants receive from domain name registrars and payment processors, shall constitute notice reasonably calculated under all circumstances to apprise Defendants of the pendency of the action and afford them the opportunity to present their objections.

8. Plaintiffs’ Amended Complaint and Exhibits 1 and 2 thereto [9, 9-1, 9-2], Schedule A to the Complaint [1-3] and the Amended Complaint [9-3], Exhibits 5 and 6 to the Declaration of John J. Stewart [15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29], and the TRO [36] are unsealed.
9. Any Defendants that are subject to this Order may appear and move to dissolve or modify the Order on two days’ notice to Plaintiffs or on shorter notice as set by this Court.
10. The \$10,000 bond posted by Plaintiffs shall remain with the Court until a Final disposition of this case or until this Preliminary Injunction is terminated.

IT IS SO ORDERED.
